Related To	Question	Reference
Perceived Usefulness	The platform helped me understand the learning content better	(Aguilos & Fuchs, 2022)
Perceived Usefulness	Using the platform improved my learning performance	(Almulla, 2021)
Perceived Usefulness	The platform was useful for achieving my learning goals	(Alassafi, 2021)
Perceived Usefulness	The platform enhanced my overall learning experience	(Panigrahi et al., 2021)
Perceived Usefulness	The platform made learning more effective	(Shannaq, 2025)
Perceived Usefulness	The platform added value to my learning process	(Qambar et al., 2026)
Perceived Ease of Use	The platform was easy to use	(Qambar et al., 2026)

Perceived Ease of Use	It was easy to understand how to use the platform	(Almulla, 2021)
Perceived Ease of Use	The platform was clear and easy to navigate	(Ibrahim & Shiring, 2022)
Perceived Ease of Use	I was able to use the platform without difficulty	(Qambar et al., 2026)
Perceived Ease of Use	Learning to use the platform was easy for me	(Alassafi, 2021)
Knowledge Retention	I was able to remember the content after using the platform	(Egbodo et al., 2021)
Knowledge Retention	The platform helped me retain the information for a longer time	(Shannaq, 2025)
Knowledge Retention	I can easily recall what I learned from the platform	(Panigrahi et al., 2021)
Knowledge Retention	The platform improved my ability to remember key concepts	(Egbodo et al., 2021)
Knowledge Retention	I feel confident that I will remember this content in the future	(Panigrahi et al., 2021)

Knowledge Retention	The combination of questions and feedback helped me retain information better	(Aguilos & Fuchs, 2022)
Knowledge Retention	Repeated attempts and feedback helped strengthen my memory of the content	(Shannaq, 2025)
Knowledge Retention	I was able to remember the correct answers after receiving feedback	(Panigrahi et al., 2021)
Knowledge Retention	The platform helped me understand and remember concepts rather than just memorize them	(Shannaq, 2025)
Knowledge Retention	I can still recall the content after some time has passed	(Egbodo et al., 2021)
Adaptive System	The platform adjusted difficulty based on my performance	(Qambar et al., 2026)
Adaptive System	The difficulty level matched my level of understanding	(Jeilani & Abubakar, 2025)
Adaptive System	The adaptive system improved my learning experience	(Qambar et al., 2026)
Adaptive System	The system responded effectively to my performance	(Jeilani & Abubakar, 2025)

Engagement	The platform made learning more engaging	(Aguilos & Fuchs, 2022)
Engagement	I felt motivated while using the platform	(Panigrahi et al., 2021)
Engagement	The platform made learning more enjoyable	(Aguilos & Fuchs, 2022)
Engagement	I was interested in continuing to use the platform	(Almulla, 2021)
Engagement	The rewards and points encouraged me to continue learning	(Aguilos & Fuchs, 2022)

Panigrahi, R., Srivastava, P. R., & Panigrahi, P. K. (2021).

Effectiveness of e-learning: The mediating role of student engagement on perceived learning effectiveness. *Information Technology & People*, 34(7), 1840–1862.
